

# Our Prices

## Principles

We pride ourselves on our transparency and 'no surprises' policy when it comes to charging. We will always provide you with a written quotation using the rates shown in this document before we start a piece of work and there are no hidden extras or excessive expenses.

## What's included?

We carry out our training courses, programmes and facilitation in pairs and all the prices shown include delivery by two Consultants. Typically the following are included although this does vary according to the nature of the piece of work:

- (1) Planning meeting
- (2) Design
- (3) Production of a written proposal
- (4) Preparation
- (5) Delivery by two UIC Consultants
- (6) A review letter to include observations, reflections and recommendations as to next steps
- (7) Review meeting
- (8) One of our fantastic manuals for each participant
- (9) Worksheets and other support materials
- (10) Access to a variety of support materials on the UIC website
- (11) Ongoing support

## What's not included?

- (1) We have Consultants based in Melbourne and Brisbane - travel and overnight expenses will be added at cost when required. So you have certainty of cost, we cap our travel expenses at 20% of the price of the assignment (15% for discount rate clients - see below for eligibility for this rate) when working in Adelaide, Brisbane, Canberra, Melbourne and Sydney and 40% (30% for discount rate clients) when working elsewhere.
- (2) GST at the standard rate of 10% will be added to all invoices

## Discounts for organisations with smaller budgets

We work with a wide variety of clients, from large multinationals to tiny charities and vary our rates in recognition that not every organisation has the same amount to spend on consultancy and training. The discount rates shown below are intended for those organisations with small budgets - typically small, voluntary sector organisations or charities.

## Applicability

This document was last updated in November 2018 and applies from 1 January 2019 until further notice. The prices shown are for pieces of work carried out in Australia - we are always pleased to quote for international assignments.

## Licensing

Larger organisations may wish to take a licence so that they can run UIMPROVE courses in-house using their own people to deliver the training. This has many advantages and we are always happy to put a proposal together based on your needs.

The price shown below is for a standard licence, the main training course inclusion being Universal Improvement Skills. Other products can be added at extra cost should they be required. Should clients wish to use any of our exercises or contents of our courses or manuals to train others, this is the minimum licence required. Up to six named individuals can be licensed to run the course at this price.

## Cancellation charges

Our policy is not to charge for cancelled work as we recognise that things can change at the last minute for our clients. However we will charge for any direct costs incurred by the UIC as a result of the cancellation. We always aim to book travel and accommodation well in advance to minimise costs to our clients and this often means these rates are non-refundable. In the event of a cancellation by a client we would charge for:

- (1) Non-refundable travel costs (e.g. rail and air fares)
- (2) Non-refundable hotel accommodation paid for in advance
- (3) Cancellation charges imposed by hotels
- (4) Cancellation charges imposed by a venue that we have booked on behalf of a client
- (5) Any other direct costs incurred that cannot be refunded or recouped
